RE: JOAQUIN LOPEZ PONCE

Mr Joaquin Lopez Ponce has worked at the Old Swan Hotel for the past 18 months in both The Library a la carte restaurant (Egon Ronay Recommended) and our 200 seater Wedgwood Restaurant.

Joaquin has always been courteous to both guests and staff and obviously very helpful with any Spanish guests who are staying at the hotel.

I would not hesitate in recommending him for any position in your restaurants.

Yours sincerely
